Renta Oy - local rental machine and equipment supplier

We supply modern and fit-for-purpose machinery, devices, scaffolding and weather protection, in addition to offering logistics, installation and demolition work.

We stock enough machines at all of our branches to ensure that you always have access to the equipment you need.

We offer services to both businesses and private consumers.

In our rental operations, we comply with the Technical Traders' General Terms and Conditions for Machine Rental and Related Services and Renta's addendums (TK Konevuokraus 2016).

Renta Oy's pricing principles:

5 = fee charged for 5 days per week

7 = fee charged for 7 days per week

kk = monthly fee

1st day = rent for the first day / Day = rent for subsequent days / Month = monthly rent
